Dear Ms. Wilkens:

This letter is in response to your inquiry dated October 25, 2000 regarding the August Monthly Report filed by CULAC. The first question raised concerns the totals listed in Lines 11(a)(i), and 11(a)(ii), Column B of the Detailed Summary Page. The actual error occurred on the report filed for July, where the amounts in Lines 11(a)(i) and 11(a)(ii), Column A were improperly allocated. This created a discrepancy on the "Calendar Year-to-Date" total for subsequent months. However, the totals in the August report, as well as the other subsequent reports, are reflective of the correct totals. Attached is an amendment to the July Report with the necessary changes. Additional amendments to subsequent reports are unnecessary because they already reflect the correct year-to-date totals.

Regarding the second part of your inquiry, the report was filed with a duplicate page. This created a discrepancy between the Detailed Summary Page and the sum of the entries itemized on Schedule B. The attached amendment reflects this correction.

Sincerely,

Richard Gose
Assistant Treasurer
